

1. How K-LOVE serves you as a resident of the local community.

K-LOVE offers my daughter and I a chance to listen to music that is uplifting. I do not have to worry about my daughter hearing something bad and repeating it. I know that what we are hearing will help us throughout the day. K-LOVE can do NO harm. Having young children listen to songs about sex, drugs and partying is very harmful. I am so thankful that they are around. If it were not around, we would have to either listen to the same CD, over and over again, choose to listen to a different kind of station, promoting sex, among other things that a child shouldn't have to hear about at age 2 1/2, or not listen to anything at all.

Having a positive influence as an option on a daily basis is great. Freedom of speech cannot just benefit the secular world. It has to benefit everyone.
